## #CLUB60

In an effort to further collaborate with PlayKleen towels, the new official towel of FCG World Series Events, and reward excellent tournament play, Future Champions Golf has announced a new promotion for all FCG tournaments. Starting at the FCG Las Vegas Championship on April 27<sup>th</sup>-28<sup>th</sup> at Primm Valley Golf Club, any tournament participant who shoots a round in the 60's will be entered into the new FCG Club 60.

As well as being listed on the FCG website under the Club 60 link, the new Club 60 member will receive a customized PlayKleen microfiber towel with the FCG logo and CLUB 60 embroidered on it. Please note that players will only receive a towel the first time they shoot a round in the 60's.

Future Champions Golf is making an effort to utilize social media more often. Therefore, in addition to receiving the PlayKleen towel, the player will be given a shout-out on all FCG social media outlets including: Facebook, Twitter, Instagram and Tumblr using the hashtag #CLUB60.
