

For Immediate Release... April 9, 2012

Registration is Now Open for the 5th Annual San Diego Junior Masters Championship!

The 5th Annual San Diego Junior Masters presented by Future Champions Golf aims to be one of the largest and most competitive events held each summer! Last year we had tremendous fields in all age divisions including 120 Boys 15-18 Players and over 100 Girls ages 13-18. A total of 460 junior golfers age 5-18 competed in the 2011 Event. The event is one of the last opportunities to qualify for Callaway Junior World, is ranked by every Junior Golf Ranking System, and has tremendous AJGA PBE.

"We wanted to create an event that would help the local players and the international players better prepare for the Callaway Junior World. This is an amazing opportunity for those players already in Junior World to compete and see where there game is against many of the same players they will face in Junior World. It has proven to be a great prep event as over 20 players have played the Junior Masters and then gone on to wins the Callaway Junior World" says Chris Smeal, Founder of Future Champions Golf. The event also gives those not qualified for Junior World a chance to earn a spot in the field or gain similar experience to what the Junior World event is like.

The San Diego Junior Masters is a great opportunity for juniors to experience a competitive international field in preparation for the Callaway Junior World Golf Championships. With two amazing events back to back, San Diego is really the place to be in early July." – Megan Mahoney, Executive Director for Callaway Junior World.

Just like the Masters Tournament the pro's play in we host an Annual Par 3 Competition at the Sycuan Resort Pine Glen Golf Course. This event will be played June 30, 2012 and is limited to the first 120 entries.

Tournament Website – www.sandiegojunormasters.com
