FOR IMMEDIATE RELEASE

SAN DIEGO, CA - Future Champions Golf will team up with Bushnell Golf in 2014, to provide some of our junior golfers with the #1 Rangefinder on the PGA, Champions and LPGA Tour. Bushnell Rangefinders will be awarded to the winners of the Boys and Girls 15-18 divisions at both the 7th Annual FCG San Diego Junior Amateur and the 7th Annual FCG International Championship.

FCG International Championship: <http://www.futurechampionsgolf.com/jrmasters.html>

Bushnell will also provide FCG members and tournament participants with a discount code for online purchases. The 15% discount code will be good for the Tour V3 Bushnell Laser Rangefinder. "With its new ergonomic design and its award-winning PinSeeker with JOLT Technology, the Tour V3 sets the standard for being the complete laser rangefinder package - design, performance and feel. JOLT Technology eliminates all doubt by delivering short vibrating burts to reinforce the laser has locked onto the flag."

"The FCG Tour has a great reputation for developing and inspiring junior golfers, and we are excited about the opportunity to serve as the Tour's Official Rangefinder," said Derek Schuman, Bushnell Golf Marketing Manager.

Chris Smeal, founder of Future Champions Golf, looks forward to getting new technology in the hands of junior golfers; "We are excited to bring the #1 Rangefinder on the professional tours to the FCG Tour. Hopefully with the new JOLT technology, it will help players lower their scores and speed up pace of play! We look forward to a great 2014 season with Bushnell."
